

**New England Faculty Develop Consortium Guidelines
for Poster Presenters:**

Please see the conference program for your presentation time and location. Format: Presenters need to prepare posters and bring their own stiff backing for posters on printed paper; Each presenter will be provided an easel on which to display their poster, and a small table for handouts, laptop etc. There will be power available close to each station. The posters will be set up around the perimeter of the room; the conference participants will also enjoy the wine and cheese session during this time. Posters should be set up at least 30 minutes prior to the poster session. Posters and stiff backing can be left behind the registration table upon arrival.
